CODISSIA Trade Fair Complex, Coimbatore

Organized by

CODISSIA
Intec Technology Centre

Approved by

ITPO

"One of the very nicest things about life is the way we must regularly stop whatever we are doing and devote our attention to eating and resting", goes a saying.

A good sumptuous dinner followed by a good nights sleep is sheer luxury and one feels professionally and free from fatigue to go about the day's work. Good food and good sleep are basic elements that have direct implication on productivity, feeling relationships and quality of life.

Hospitality plays a crucial role in creating destinations. How many hotels in the world can boast of quality linen, good food, and excellent service? Customers require value for their money and their needs are many. Elegant products will help to enhance the hotel's outlook and make the guests feel special; because guests are special.

COIMBATORE "The Business Hub"

The Coimbatore region is known as "Kongu nadu", where warm hospitality is a way of life. Coimbatore is the district capital with more than 40,000 small, medium, large scale industries and textile mills. Coimbatore is famous for its Schools, Universities, Engineering Colleges, Medical, Nursing and Management Schools, Textiles - Yarn, Knitted Garments, Handlooms, Textile Machinery, Motors, Pumps, Industrial Goods, Cotton, Tea and Software.

Quite a few renowned hotels and sweet manufacturing houses have their origins at Coimbatore, amid a plethora of other hotels and restaurants.

This emerging city is next only to Chennai, the capital of Tamilnadu, as many star rated hotels have already set their enterprise here, envisaging a bright future and inflow of business visitors, as the metro grows in leaps and bounds.

The next revolution business offers are aplenty in Coimbatore as multi speciality Hospitals, Educational Institutions, Software Companies and their catering needs are growing each day. The demand for corporate catering is on the rise and there are major opportunities in the near future for the hospitality sector, in particular.

HEXPO 2016 - Hospitality Expo

Held under the auspices of CODISSIA Intec Technology Centre, HEXPO 2016 exhibition establishes itself as a leading market forum of Hotel Supplies & Catering Equipment, Bakery, Pastry & Ice Cream equipments, Furnishings, Hotel equipments, Food, Beverage & Super Market Equipments, amenities and systems for the whole hotel, event, travel catering sector in the air, sea, rail and road as well as all retail technology demands.

In keeping up with the season of tourism which starts in April through May, hotels, resorts and restaurants start to select their needs at the beginning of the calendar year before freezing their final budget, where the surplus of earning are channeled towards the purchase of new equipment and furniture for the new season.

To put in a nutshell, the objective of this fair is to make the hotel supplies industry meet the hospitality industry to showcase their supply equipment and services. Coimbatore and its neighboring regions have an abundance of hotels and restaurants that are vying with one another to satisfy the gastronomical and comforting needs of the deserving customer.

About CODISSIA

An ISO 9001 : 2008 organisation with over 1800 members and three decades of experience, it has been preparing the industries of Coimbatore to face up to the challenges of transforming industrial scenario.

CODISSIA acts as a grievance redressal forum and a liaison between the government departments and industries in the Coimbatore region. CODISSIA is the only District Level Association in the whole of India to have signed a Memorandum of Understanding with (VDMA) Plant and Machinery Manufacturers Associations / Bavarian section of Germany. Through this, it promotes Joint Ventures, Technology Transfers and sends Trade Delegations etc. to foreign countries. CODISSIA also has the unique distinction of having the maximum number of MoU with educational institutions for the mutual benefit of Academia and Industries. CODISSIA's Trade Fairs are most sought after by industries in general and end users in particular for their enlightenment and technology up gradation.
